

The Child Development Centre
of Prince George and District
Heart · Hope · A helping hand

Job Posting – June 24, 2022

Speech-Language Pathologist Assistant Full-time, 12-month term with potential for extension

An exciting opportunity exists to join the team at the [Child Development Centre](#) in Prince George, B.C., on the traditional and unceded territory of the Lheildi T'enneh First Nation and Dakelh speaking peoples.

The successful applicant will work with a highly skilled and supportive, multidisciplinary team of professionals. Reporting to the Chief Speech-Language Pathologist this position will provide support to the early intervention therapy team, with the following duties:

- Primarily supporting speech/language therapy sessions and treatment groups;
- Assisting with occupational and physical therapy activities as appropriate;
- Documenting and reporting progress on treatment plans to supervisor;
- Preparing, adapting, organizing, storing, and cleaning therapeutic resources;
- Assisting with appointment bookings and reminder calls; and
- other related duties as assigned.

Qualifications:

- Completion of an approved Speech-Language Pathologist Assistant Program – 2 year diploma or an equivalent combination of relevant education, training and/or experience;
- An acceptable criminal records check; and
- A valid British Columbia Class 5 driver's license.

The position pays \$24.57 to \$26.62 per hour (subject to change as current collective agreement under negotiation). Includes an excellent benefits package, including a defined rate pension plan, extended medical, dental, long term disability insurance, and more. ***Training, mentorship, and a relocation allowance are available.***

The Child Development Centre in Prince George is one of the largest and longest serving child development charities in the British Columbia. Our team consists of speech-language pathologists, physiotherapists, occupational therapists, supported child development staff. We collaborate closely with many community agencies to foster each child's social, emotional, physical, cognitive and communication abilities.
